GOVERNANCE AND REPORTS OF THE STATUTORY AUDITORS
GOVERNANCE AND REPORTS OF THE STATUTORY AUDITORS

- Governance
- Presentation of resolutions
- Reports of statutory auditors
General principles:

- Three methods selected by the Board of Directors for motivation and retention:
  - Stock options and/or Shares (instruments selected until 2012)
  - Performance units (instruments selected in 2013)

  OR

- For several hundred corporate officers all around the world, including members of the Executive Committee
Long-Term Incentive

2013 Plan: challenging conditions for allocation

Two kinds of challenging performance conditions, each accounting for 50% of the award:

- Measuring of external performance (1) **AND**
- Measuring of internal performance (2)

- Service conditions and measuring of the performance over a 3-year period

- Additional 2-year period of unavailability and indexation linked to the price of shares (3)

**Incentive to maintain outperformance**

**Final grant can vary between 0% and 100% of initial grant**

---

(1) Comparison between the average of Legrand’s EBITDA margin over 3 years and the average of EBITDA margin achieved by the MSCI Capital Goods index
(2) Level of normalized free cash flow over 3 years as a percentage of sales
(3) For the performance units granted to Mr. Gilles Schnepp and to the members of the Executive Committee
### Compensation of the Chairman and Chief Executive Officer (1/2)

VOTE OF RESOLUTIONS
Disclaimer

The information contained in this presentation has not been independently verified and no representation or warranty expressed or implied is made as to, and no reliance should be placed on, the fairness, accuracy, completeness or correctness of the information or opinions contained herein.

This presentation contains information about Legrand’s markets and its competitive position therein. Legrand is not aware of any authoritative industry or market reports that cover or address its market. Legrand assembles information on its markets through its subsidiaries, which in turn compile information on its local markets annually from formal and informal contacts with industry professionals, electrical-product distributors, building statistics, and macroeconomic data. Legrand estimates its position in its markets based on market data referred to above and on its actual sales in the relevant market for the same period.

This document may contain estimates and/or forward-looking statements. Such statements do not constitute forecasts regarding Legrand’s results or any other performance indicator, but rather trends or targets, as the case may be. These statements are by their nature subject to risks and uncertainties, many of which are outside Legrand’s control, including, but not limited to the risks described in Legrand’s reference document available on its Internet website (www.legrand.com). These statements do not reflect future performance of Legrand, which may materially differ. Legrand does not undertake to provide updates of these statements to reflect events that occur or circumstances that arise after the date of this document.

This document does not constitute an offer to sell, or a solicitation of an offer to buy Legrand shares in any jurisdiction.
