10% of the Company's capital stock at the date of this Meeting, it being noted that, when shares are bought to ensure the market liquidity of Legrand shares under the conditions described below, the number of shares taken into account for the calculation of this limit of 10% will be the number of shares bought less the number of shares resold during the term of this authorization;

2. provide that shares may be bought, sold or transferred for the purposes of:
  - ensuring the liquidity and active operation of the market in Company shares by the intermediary of an investment services provider, acting independently under a liquidity contract in compliance with the Charter of Ethics recognized by France's Financial Markets Authority (*Autorité des marchés financiers*);
  - implementing (i) any and all Company stock options plans in accordance with Articles L. 225-177 and following of the French Commercial Code, (ii) any and all Group employee share-ownership programs in accordance with Articles L. 3332-1 *et seq.* of the French Labour Code (*Code du travail*) or to provide for free allotments of these shares for employee profit-sharing and/or in lieu of discount, (iii) any and all free share allotments pursuant to Articles L. 225-197-1 *et seq.* of the French Commercial Code, and any and all share allotments for employee profit-sharing, as well as providing cover for such transactions at such times as the Board of Directors or the person acting on its behalf takes action;
  - holding and subsequently transferring shares by way of exchange or payment relating to business acquisitions, it being specified that the number of shares acquired by the Company with a view to holding these and employing them at a later date as payment for or in exchange for a merger, demerger, or transfer of assets may not exceed 5% of the Company's capital stock;

  - cancelling all or some of the shares so purchased, subject to the adoption by the meeting of the eleventh resolution below; or
  - carrying out such other practices as may be permitted or recognized by law or by the Financial Markets Authority, or pursuing any other objective complying with applicable laws and regulations.

Shares may be purchased, sold, transferred or exchanged, directly or indirectly, in particular by any third party acting on behalf of the Company under the conditions provided by the last section of article L. 225-206 of the French Commercial Code, at any time within the limits authorized by laws and regulations, except at such times as Company shares may be the object of a tender offer, by any means, on or off any market, including through OTC transactions, trading in blocks of shares or public tender offers, or through the use of any financial instruments or derivatives, including option-based mechanisms such as purchases and sales of put and call options.

The maximum price paid for purchases may not exceed €60 per share (excluding acquisition expenses), it being noted that this price will be adjusted as necessary to reflect capital transactions, in particular incorporation of reserves or free share allotments and/or share splits or reverse splits.

The maximum amount allowed for implementation of the share buy-back program is €500 million.

The application of this resolution may not at any time result in the number of own shares held by the Company, directly or indirectly, rising above 10% of the total number making up capital stock at the date considered.

Shareholders grant the Board of Directors all powers, with the right of sub-delegation as provided by law and by the Company's articles of association, to decide on the use and deployment of this authorization, and in particular to determine the conditions of such use, to place orders on or off any markets, to enter into any agreements, to allocate or re-allocate shares acquired for the purposes allowed in compliance with law and regulations, to make any declarations to the Financial Markets Authority or any other body, to effect any formalities, and in general to take any useful or necessary action for the purposes of this resolution.

This authorization is valid for eighteen months from the date of this General Meeting of Shareholders and, from this day, deprives previous authorizations for the same purpose of their effect to the extent not used.

## RESOLUTIONS FOR THE EXTRAORDINARY GENERAL MEETING

### Eleventh Resolution (Authorization granted to the Board of Directors to reduce the capital stock by cancellation of shares)

Meeting in accordance with the conditions as to quorum and requisite majority for extraordinary general meetings and being apprised of the Board of Directors' report and the auditors' special report, the shareholders authorize the Board of Directors, in accordance with Articles L. 225-209 *et seq.* of the French Commercial Code, to cancel, at its sole initiative and on one or several occasions, in such proportion and at such times as it deems appropriate, all or some of the Company shares purchased under share buyback programs authorized and deployed by the Company, and to reduce the capital stock of the Company by the total nominal amount of the shares thus cancelled, within a limit of 10% of the share capital at the date of this meeting in any period of twenty-four months.

The difference between the carrying amount of the cancelled shares and their nominal amount shall be allocated to reserves or premiums.

Shareholders grant the Board of Directors all powers, with the right of sub-delegation as provided by law and the Company's articles of association, to set the terms for cancellation of the shares, to effect and recognize such cancellations and the corresponding capital reductions, to allocate the difference between the price paid for the cancelled shares and their nominal value to any reserves or premiums, to make the necessary amendments to the Company's articles of association, to make all necessary declarations to the French Financial Markets Authority, to effect all other formalities and in general to do all that may be useful or necessary for the purposes of this resolution.

This authorization is granted for a period of twenty-six months from the date of this General Meeting of Shareholders and, from this day, deprives previous authorizations for the same purpose of their effect to the extent not used.

**Twelfth Resolution (Delegation to the Board of Directors for the purpose of issuing ordinary shares or securities providing access to the Company's share capital or entitlement to debt securities, with preferred subscription rights maintained)**

Meeting in accordance with the conditions as to quorum and requisite majority for extraordinary general meetings and being apprised of the Board of Directors' report and the auditors' special report, shareholders, in accordance with the provisions of the French Commercial Code and in particular Articles L. 225-129 *et seq.* (in particular Article L. 225-129-2) and Article L. 228-91 *et seq.*:

1. Delegate to the Board of Directors the power to provide for the issue, the preferred subscription rights of shareholders being maintained, of ordinary shares and of securities giving access to ordinary shares of the Company or entitlement to the allocation of debt securities, which may be subscribed for either in cash or by way of offset against due and payable debts, it being provided that this delegation may allow one or several such issues, in France or in other countries; in euros, in other currencies or in any monetary unit based on a basket of currencies; in such amounts and at such times as it will determine, in accordance with applicable laws and regulations;
2. Resolve that the securities so issued may carry warrants providing entitlement to the allotment, purchase or subscription of bonds or other debt securities, or provide for the right of the Company to issue debt securities (fungible with other issues or not) in lieu of interest payments that the Company may have suspended;
3. Determine that the total nominal amount of capital increases which may be effected pursuant to this delegation, immediately and/or in the future, may not exceed €200 million, this limit being subject to such increase in the number of shares as may be necessary by reason of any adjustments made in accordance with applicable legislative and regulatory provisions and, as the case may be, with contractual stipulations providing for other adjustments to preserve the rights of holders of securities that give rights to shares of the Company, it being stipulated that this amount will be included in the overall limit set in the nineteenth resolution;
4. Determine that the total nominal amount of bonds and other debt securities which may be issued pursuant to this delegation may not exceed €2 billion (or the equivalent of this amount if issues are made in a foreign currency or units of account), it being stipulated that this amount will be included in the overall limit on the issue of debt securities set in the nineteenth resolution;
5. Determine that shareholders may exercise their preferred subscription rights to the full with no reduction in allotments, subject to the conditions and limits established by the Board of Directors. The Board may also grant shareholders, in proportion to their subscription rights and within the limits of their applications, rights to subscribe to a number of ordinary shares or securities greater than that resulting from their irreducible rights but with allotments subject to reduction;
6. Observe that, if shareholders do not take up an issue of shares or other securities of the kinds referred to above in full under their irreducible and, where applicable, reducible subscription rights, the Board of Directors may use, in compliance with Article L. 225-134 of the French Commercial Code, in such order as it determines, whether singly or in combination, powers to:
  - limit the issue to the amount of the subscriptions on condition that such amount is equal to at least three-quarters of the initial amount of the issue,
  - freely allot all or part of the unsubscribed securities to such persons as it sees fit,
  - offer to the public all or part of the unsubscribed securities;
7. Determine that any issue of warrants to subscribe to Company shares may be effected by either an offer to subscribe as provided above or by free allocation to the holders of existing shares, it being stipulated that, in the event of a free allocation of unattached warrants, the Board of Directors will have the power to decide that rights not representing a whole number of shares may not be traded and that the securities concerned are to be sold;
8. Recognize and determine that, insofar as this may be necessary, this delegation entails, without further process, the waiver, in favour of the holders of any securities carrying rights to subscribe to such Company ordinary shares as may be issued under this resolution, of shareholders' preferred rights to subscribe to the new ordinary shares to which these securities grant access;

9. Determine that the Board of Directors will have all necessary powers, with the right of sub-delegation as provided by law and by the Company's articles of association, to put this delegation into effect, and in particular to determine the dates and conditions of issues, the form and specifications of the securities to be issued, the prices and the conditions of issue, the amounts to be issued, the terms of payment, the dates from which new securities carry rights, even with retroactive effect, and conditions for redemption where applicable; to suspend, if necessary, the exercise of rights to Company shares attached to the securities in accordance with applicable regulations; to make any adjustments as may be required as a result of changes in the Company's capital stock; to take such action as may be necessary to protect the rights of the holders of securities giving in the future access to Company shares; to make all appropriate charges to issue premiums, in particular charges for the amounts required to bring the legal reserve to one-tenth of the new share capital after each issue and for issue expense; and, in general, to take such action and enter into such agreements as may be conducive to the satisfactory performance of the considered issue; and to effect all formalities necessary for the issue, trading and financial services of the securities issued by virtue of this delegation and the exercise of rights attached to them.

In the event of issue of debt securities, the Board of Directors will have full powers, in particular to decide whether the debt is to be subordinated or not, to set the interest rate, the maturity, the redemption price, whether fixed or variable, with or without bonus, to define amortization terms in accordance with market conditions and to determine conditions under which securities may carry rights to Company shares;

10. Resolve that the Board of Directors will have full powers to acknowledge the realization of capital increases and to initiate the relevant amendments to the Company's articles of association.

The delegation so granted to the Board of Directors is valid for twenty-six months from the date of this General Meeting of Shareholders and, from this day, replaces the delegation provided for in the twelfth resolution adopted at the Combined Ordinary and Extraordinary General Meeting of May 25, 2012, insofar as this has not already been used.

**Thirteenth Resolution (Delegation to the Board of Directors for the purpose of issuing, by means of public offers, ordinary shares or securities providing access to the Company's share capital or entitlement to debt securities, with preferred subscription rights waived)**

Meeting in accordance with the conditions as to quorum and requisite majority for extraordinary general meetings and being apprised of the Board of Directors' report and the auditors' special report, shareholders, in accordance with the provisions of the French Commercial Code and in particular Articles L. 225-129 to L. 225-129-6, L. 225-135, L. 225-136, L. 225-148, L. 228-91, and L. 228-92:

1. Delegate to the Board of Directors the power to provide for the issue, by means of public offers, of ordinary shares and securities giving access to Company ordinary shares or entitlement to the allocation of debt securities, which may be subscribed for either in cash or by way of offset against due and payable debts, it being provided that this delegation may allow one or several such issues, in France or in other countries, in euros, in foreign currencies or in any monetary unit based on multiple currencies, and in such amounts and at such times as it will determine, in accordance with applicable regulations;
2. Resolve that the total nominal amount of capital increases which may be effected pursuant to this delegation, immediately and/or in the future, may not exceed €100 million, this limit being subject to such increase in the number of shares as may be necessary by reason of any adjustments made in accordance with applicable legislative and regulatory provisions and, as the case may be, with contractual stipulations providing for other adjustments to preserve the rights of holders of securities that give rights to shares of the Company, it being further provided that the nominal amount of any capital increases which may be effected pursuant to this delegation is to be included (i) in the overall nominal limit of €100 million provided for in the fourteenth resolution put to this meeting, and (ii) in the overall limit provided for in the nineteenth resolution;
3. Resolve that the total nominal amount of bonds and other debt securities issued pursuant to this delegation may not exceed €1 billion (or the equivalent of this amount at the issue date if issues are made in a foreign currency), it being stipulated that this amount will be included (i) in the total subject to the overall limit of €1 billion provided for in the fourteenth resolution put to this meeting, and (ii) in the overall limit provided for in the nineteenth resolution;

5. Resolve to waive shareholders' preferred rights to subscribe to the ordinary shares and other securities to be issued;
6. Determine however that the Board of Directors may confer on shareholders a priority right to subscribe, in irreducible proportion and, if so decided, with additional reducible rights, over a period that it is to determine in accordance with applicable laws and regulations, to all or part of the issue in accordance with Article L. 225-135, paragraph 2, of the French Commercial Code, such priority right not giving rise to negotiable rights;
7. Observe that, if shareholders do not take up an issue of shares or other securities of the kinds referred to above in full, the Board of Directors may use, in compliance with Article L. 225-134 of the French Commercial Code, in such order as it determines, whether singly or in combination, powers to:
  - limit the issue to the amount of the subscriptions on condition that such amount is equal to at least three-quarters of the initial amount of the issue,
  - freely allot all or part of the unsubscribed securities to such persons as it sees fit,
  - offer to the public all or part of the unsubscribed securities;
8. Recognize and resolve, insofar as this may be necessary, that this delegation entails, without further process, the waiver, in favour of the holders of any such securities carrying rights to subscribe to Company ordinary shares that may be issued under this resolution, of shareholders' preferred rights to subscribe to the new shares to which these securities carry entitlement;
9. Resolve that:
  - the issue price of ordinary shares will be at least equal to the minimum prescribed by laws and regulations applicable at the date of issue (for purposes of illustration, this minimum is currently the weighted average market price of Company shares over the three trading days preceding the date the price is set, less a discount of 5%, where necessary after adjustment of the average to allow for differences in the dates from which shares carry entitlements),
  - the issue price of securities providing access to the Company's share capital and the number of ordinary shares to which the conversion, redemption or other transformation of each such security providing access to the Company's share capital may give right will be such that the amount immediately received by the Company, together with any amount it may later receive, is, for each share issued as a consequence of the issue of these securities, at least equal to the minimum issue price as provided for in the previous section;
10. Provide that the Board of Directors may, within the limits defined in paragraphs 2 and 3 above, issue various ordinary shares or securities providing access to the Company's share capital or entitlement to debt securities in consideration of the securities tendered in response to a public offer including a swap component (whether as the principal or a secondary component) initiated by the Company for the acquisition of the securities of a company whose shares are listed on a regulated market in accordance with Article L. 225-148 of the French Commercial Code, and subject to the reserves therein, in which case the stipulations regarding the price set out in paragraph 9 above do not apply, and waive, insofar as necessary, their preferred subscription rights to these ordinary shares or other securities in favour of the holders of these securities;
11. Resolve that the Board of Directors will have all necessary powers, with the right of sub-delegation as provided by law and by the Company's articles of association, to put this delegation into effect, and in particular to determine the dates and terms of issues, the form and specifications of the securities to be issued, the prices and the conditions of issues (including exchange parities in the event of a public offer with a swap component initiated by the Company), the amounts to be issued (where applicable, depending on the number of shares tendered in response to a public offer initiated by the Company), the terms of payment, the dates from which new securities carry rights, even with retroactive effect, conditions for redemption where applicable, to suspend as appropriate the exercise of rights to Company shares attached to the securities in accordance with applicable regulations, to make such adjustments as may be required as a result of changes in capital stock, to take such action as may be necessary to protect the rights of the holders of securities giving in the future access to Company shares, to make all appropriate charges to issue premiums, and in particular charges for the amounts required to bring the legal reserve to one-tenth of the new share capital after each issue and for issue expense, to take such action and enter into such agreements as may be conducive to the satisfactory performance of the considered issues, and to effect all formalities necessary for the issue, trading and financial services of the securities issued by virtue of this delegation and the exercise of rights attached to them.
 

In the event of issue of debt securities, the Board of Directors will have full powers to take related decisions, in particular as to whether debt is to be subordinated or not, to set the interest rate, maturity, the redemption price, whether fixed or variable or with or without bonus, to define amortization terms in accordance with market conditions, and to determine conditions under which securities may carry rights to Company shares;
12. Resolve that the Board of Directors will have full powers to acknowledge the realization of capital increases and to initiate the relevant amendments to the Company's articles of association.
 

The delegation so conferred on the Board of Directors is valid for twenty-six months from the date of this General Meeting of Shareholders and replaces, from this day, the delegation provided for in the thirteenth resolution adopted at the Combined Ordinary and Extraordinary General Meeting of May 25, 2012, insofar as this has not already been used.

2. Resolve that the total nominal amount of the capital increases made pursuant to this delegation may not exceed €100 million, this limit being subject to such increase in the number of shares as may be necessary by reason of any adjustments made in accordance with applicable legislative and regulatory provisions and, as the case may be, with contractual stipulations providing for other adjustments to preserve the rights of holders of securities that give rights to Company shares; it being specified that this limit is independent of any of the other limits on issuance of shares and other securities pursuant to delegations of powers or authorizations conferred at this meeting;
3. Resolve that, in the event of a free share allotment, (i) rights not representing a whole number of shares may not be traded and that such shares are to be sold; it being stipulated that the proceeds of such sale will be allocated to holders of rights as provided by law and applicable regulations, and (ii) that shares to be allocated pursuant to this delegation for existing shares carrying double voting rights will benefit from this right from the date of issue;
4. Resolve that the Board of Directors will have all necessary powers with the right of sub-delegation as provided by law

and by the Company's articles of association to put this delegation into effect, and in particular to:

- determine the terms and conditions of the transactions authorized and in particular to define the amount and the nature of the reserves and premiums to be incorporated into capital, to determine the number of new shares to be issued or the amount by which the nominal value of existing shares making up the share capital is to be increased, and to determine the date from which new shares carry rights, even retroactively, or the date on which an increase in nominal value takes effect,

2. Authorize the Board of Directors, in connection with such capital increase or increases, to allot shares or other securities giving access to the share capital without consideration, in lieu of the potential discount provided for in point 4 below and/or of any supplement granted to employees, subject to the limits provided for in Article L. 3332-21 of the French Labour Code;
3. 4. Resolve that the subscription price of the new shares will be equal to the average market price for Company shares over the twenty trading days preceding the date on which the opening date for subscription is decided on, less a discount up to the maximum allowed by law at the date of the Board of Directors' decision, it being understood that the Board of Directors may reduce this discount if it deems it appropriate, in particular to comply with applicable national laws;
5. Waive, in favour of the aforementioned beneficiaries, shareholders' preferred subscription rights in respect of the securities which may be issued under this authorization, and waive all shareholder claims on such free shares or securities giving access to the share capital as may be allotted under this resolution;
6. Resolve further that, if the beneficiaries have not subscribed for the entire capital increase by the specified deadline, the increase will be effected only in the amount corresponding to the shares subscribed for, and unsubscribed shares may be re-offered to the affected beneficiaries as part of a subsequent capital increase;
7. Confer on the Board of Directors all powers, with the right of sub-delegation as provided by law and the Company's articles of association, that may in particular be necessary to:

- recognize resulting capital increases,
- make the necessary amendments to the Company's articles of association,
- make all appropriate charges to available reserves, in particular charges for the amounts required to bring the legal reserve to one-tenth of share capital after each issue and for issue expense,
- and, in general, do everything that may be useful and necessary under applicable laws and regulations, and in particular to take any action necessary to arrange for admission to trading of the newly created shares.

This delegation conferred on the Board of Directors is valid for a period of twenty-six months from the date of this General Meeting and, from this day, replaces the delegation provided for in the tenth resolution at the Combined Ordinary and Extraordinary General Meeting of May 24, 2013, insofar as this has not already been used.

**Eighteenth Resolution (Delegation to the Board of Directors for the purpose of issuing ordinary shares or other securities providing access to share capital as consideration for contributions in kind to the Company, with preferred subscription rights waived in favour of the holders of the shares or other securities constituting the contributions in kind)**

Meeting in accordance with the conditions as to quorum and requisite majority for extraordinary general meetings, and being

apprised of the Board of Directors' report and the auditor's special report, pursuant to Article L. 225-147 paragraph 6 of the French Commercial Code, shareholders delegate to the Board of Directors, with the right of sub-delegation as provided by law and by the Company's articles of association, all necessary powers to issue ordinary shares and securities providing access to the share capital of the Company, within the limit of 5% of share capital at the date of issue, for the purpose of providing consideration for in-kind contributions to the Company in the form of shares or other securities providing access to share capital when the provisions of Article L. 225-148 of the French Commercial Code are not applicable.

The nominal amount of the capital increases which may be effected pursuant to this delegation is to be included in (i) the nominal limit of €100 million provided for in the thirteenth and fourteenth resolutions put to this meeting, this limit being subject to such increase in the number of shares as may be necessary by reason of any adjustments made in accordance with applicable legislative and regulatory provisions and, as the case may be, with contractual stipulations providing for other adjustments to preserve the rights of holders of securities that give rights to shares of the Company and (ii) the overall limit provided for in the nineteenth resolution put to this meeting.

The total nominal amount of debt securities issued pursuant to this delegation may not exceed €500 million (or the equivalent of this amount at the issue date if issues are made in a foreign currency). Further, the total nominal amount of debt securities issued pursuant to this delegation is to be included in (i) the total subject to the limit of €1 billion provided for in the thirteenth and fourteenth resolutions put to this meeting, and (ii) the overall limit on debt securities provided for in the nineteenth resolution.

If use of this delegation is to be made, the Board of Directors will consider the report of one or several contribution auditors as referred to in Article L. 225-147 of the French Commercial Code.

Shareholders resolve to waive, in favour of the holders of the securities constituting the contributions in kind, the preferred subscription right of holders of shares to ordinary shares or other securities so issued, and observe that this delegation incorporates a waiver by holders of ordinary shares to the preferred right to subscribe to ordinary shares of the Company to which the securities that would be issued under this resolution would entitle them.

Shareholders grant to the Board of Directors all powers necessary to put this delegation into effect, in particular to approve

valuations of contributions and, relating to such contributions, to recognize their effects, charge all expense, costs and fees to premiums; to set the number, form and features of securities to be issued; to recognize the increases in capital and make relevant amendments to Company's articles of association; to arrange for trading of the securities to be issued; to make all appropriate charges to contribution premiums, in particular charges for the amounts required to bring the legal reserve to one-tenth of new share capital after each issue and for issue expense and, in general, to take all relevant initiatives, enter into all agreements, request any authorizations, effect all formalities and take any action necessary to ensure the satisfactory performance of issues.

The delegation so conferred on the Board of Directors is valid for twenty-six months from the date of this General Meeting of Shareholders and, from this day, replaces the delegation provided for in the nineteenth resolution adopted at the Combined Ordinary and Extraordinary General Meeting of May 25, 2012, insofar as this has not already been used.

stipulations providing for other adjustments to preserve the rights of holders of securities that give rights to shares of the Company;

- the total nominal amount of bonds or other debt securities issued may not exceed €2 billion or the equivalent if an issue is made in a foreign currency or units of account.
