ABOUT LEGRAND

Legrand is the global specialist in electrical and digital building infrastructures. Its comprehensive offering of solutions for commercial, industrial and residential markets makes it a benchmark for customers worldwide. The Group harnesses technological and societal trends with lasting impacts on buildings, with the purpose of improving life by transforming the spaces where people live, work and meet through electrical, digital infrastructures and connected solutions that are simple, innovative and sustainable. Drawing on an approach that involves all teams and stakeholders, the Group is pursuing its strategy of profitable and responsible growth driven by acquisitions and innovation, with a steady flow of new offerings including products with enhanced value in use (faster-growing segments: datacenters, connected solutions and energy efficiency programs). Legrand reported sales of €7.0 billion in 2021. The company is listed on Euronext Paris and is a component stock of the CAC 40 and CAC 40 ESG indices (ISIN: FR0010307819).
