**Legrand strengthens its positions as world champion
in datacenters with the acquisition
of Linkk Busway Systems in Asia**

Legrand is pursuing its active bolt-on acquisition strategy with today's announcement of Linkk Busway Systems¹.

Linkk Busway Systems is an Asian reference specialist in power busbars, particularly for datacenters' grey space. Based in Malaysia, in Beranang, Selangor, Linkk Busway Systems employs over 240 people and generates an annual revenue of around €45 million.

Benoît Coquart, Legrand's Chief Executive Officer; commented:

"We are thrilled to announce this acquisition, our third since the beginning of the year, and the second one in the fast-growing datacenter market, which already accounted for 20% of Group proforma sales in 2024. It is fully in line with our strategic ambitions for 2030, in particular the strengthening of our positions in buoyant segments linked to the energy and digital transition."
